Ryan,

FYI, the attached are responsive to a FOIA request. They are emails both between me and rob Tomiak (OECA-office of federal affairs - NEPA function), and among OECA, reflecting that we set up a process in February 2017 to elevate NEPA matters of policy concern, including ones with GHG issues.

Justin – can you review the attached FOIA responsive documents, and let Victoria Clarke know if you concur with their release? The deadline to respond to OECA is June 13, 2017, so let's see if we can have an answer for Victoria by 6/9. Let me know if that is doable.

Hi Rich,

Attached are responsive documents to the above-referenced FOIA, that is assigned to OECA. As Shelly stated below, the documents concern communication with Justin Schwab and they need to be reviewed before they are released. I am copying Victoria Clarke, if you have any questions.

Thanks,

LaShawn

Hi LaShawn,

Attached are the records that we think are responsive to the FOIA request from SELC – EPA-HQ-2017-007078.

Because these emails concern communications with Justin Schwab, we wanted to provide him with the opportunity to review before we release them.

Can you please let us know by 6/13/17 if the documents can be released.

Thank you!

Shelly
